August Newsletter

WORD FROM THE BYRD

I have been amazed at how fast this summer has gone by. Has time always gone this fast or is it just because I am getting older? I kid that Christmas will be here before we know it, but at this rate, it will be!

Teachers are already reporting back to school and students will soon be there as well. I know starting a new school year brings on anxiety and apprehension. For teachers: getting to know new students, schedule changes, etc. For students: new grade level, new teachers, harder subjects, etc. In the last several years we have seen an uptick in violence at schools either through bullying or school shootings. On Sunday, August 7, we will have a Blessing of the Backpacks during our worship. We will ask God to bless our students, teachers, bus drivers, and administrators. I encourage the kids to bring their backpacks for a blessing card they will receive. We want to start off this school year with a special prayer and blessing.

I want to mention again how much I enjoyed being on the youth mission trip to North Carolina. We have some awesome young people in our church. They put in a lot of work on days when we had no shade and the heat index was over 100 degrees. They were determined to finish the projects that were given to us. We spent the week at a local park doing some major improvements for the community. Several folks in the park that saw us working were excited about the improvements being made. One family bought us Gatorade and chips because they were so thankful for our help. One day we were able to give water and food to a family in the park that was down on their luck. Being in the family of God means that you have family all around you, even as far away as North Carolina. It is good to be able to share the love of God.

Saddle up and get ready, because as August starts, we are going to fly through the rest of the year. There are a lot of good things to look forward to as we round out 2022 at Clarksville CPC. Keep your newsletter handy, watch for emails, and check your announcements in the bulletin. I am thankful for the many ways that God has blessed us and will continue to bless us.

Love you all – Bro Jimmy

GRADUATE THANK YOU

CP family,

Thank you for the bible. I love it and will take it to Samford with me. Thank you for all the support in my life. I love you all.

Love, Bella

Clarksville CPC,

Thank you for acknowledging my accomplishments on Senior Sunday, as well as the new Bible. Due to the amount of ministers in my family, I have accrued quite the collection of Bibles. Nonetheless, each Bible has its own unique features to enjoy.

Sincerely, Luke
